Dearest Family:

Mary and I got up for our Sunday rolls and grape fruit and we are back in bed again writing home. It is between raining and snowing out doors and real cold.

Only one exam over and that is English. It was real hard I thought I hope to goodness I get a B in the course. By the time this reaches you I'll be laboring over my psyp. exam. I hope to goodness I don't flunk that. I'm scared to death because I don't know anything.

Escher and Frederick have both had their English exams, too, I guess.

Last night we had one of the most exciting basket ball games I have ever seen. We played Dennison and they played some good game - Quick team work. Dennison made a basket about the first half second of the game. - and all thru the game the score was tied 4 or 5 times so you can see what a close game it was and especially at the very end when they were ahead 4 or 5 points - we shot some beautiful baskets about from the middle of the floor and tied them 30 to 30 and then Dennison made another basket the very last second and caused the score to be 32-30 - Whew! I've never seen a waaster audience so keyed up over a basket ball game.

Bob took me - as usual. Leland was supposed to have taken Mary and we were to have double dates but he was home and couldn't get back so Gudy &

Mary went ~~then~~ we all
went over to the Tea House
for refreshments after
the game.

Fred took tickets at
the door. He is Freshman
manager, I guess.

Heard from Janice
again. She is swamped
in work, too.

Heard a good debate
the other evening, Friday
to be exact. It was on
the cancellation question.
"Resolved that U. S. should
cancel war debts." Our
fellows upheld the negative
and Oles Reslyn the
affirmative
